

Dear brother Prem Swaroop,  
Greetings from Bangladesh in the name our Lord Jesus Christ.  
We hope and trust you and your family are doing well and the ministry as well. We are doing well by His grace. This morning I send month of June 07 report.

This is brief report of the Bangladesh ministry for the past six months. January to June 07 we gave 3721 Gospel books to our listeners by post. Our Discipleship Training School (DTS) outreach time in three months we gave more than 9000 gospel books and share gospel with them. Average every month almost 100 new people writing to us for the gospel who are looking for the troth. I am sending some testimonies. Yes people are coming to the Lord through our program and correspondence. I am not mention all the details for security for them and for us. I just like to give an example. In north part of our country around 50 M came to the Lord through some other ministry, so local community bit them very badly and now having big problem. This news came to the national news paper. So because of fear of community usually people don't say I accept Jesus as a my Lord openly. Anyway our target was end of Dec 07 will have 2000 members but we hope by next month we will reach our goal. End of June we have 1901 members. Many people listening our program but not every one able to write because in Bangladesh only 34% can read and write. Some time from a club of 50 members only one of them will write to us for whole club. We could do much better if we able to give gospel calendar to different listeners , school or collage. Print some good books.

We do have children ministry. HIV/AIDS ministry . DTS and School of Mission training. Church Planting ministry. Thank you for all your prayer . Please pray for us. We are praying for you and ministry. I am looking to see you end of this month. Please let me know the date.

Good news is the detective officer who was our ground floor moved to another area. Bad news is from month of July the post office increase double it's all kind of postal cost and service. Now to post letter we need 100% more money then before. The post box was 300 Taka par year now is 500 Taka par year. It will effect for our listeners to write to us also because of postal cost. Prayer point:

- (1) Please pray that even postal cost increase our listeners may able to write to us and many more new listeners may able to write to us.
- (2) To print Radio program **Brochure**
- (3) **Salvation for our listeners**
- (4) **Our protection**
- (5) **Children ministry and School of Mission training**
- (6) **God's provision for our family**

May God bless you

Regards,  
Barun Halder
